Upon successful completion of this course and approval of your application by PADI, the PADI IDC Staff Instructor certification is earned. The PADI IDC Staff Instructor Program is designed to provide PADI Master Scuba Trainers with the additional training necessary to staff PADI Instructor Development Programs. This ten-day program builds upon the PADI IDC Staff Instructor Candidates experience and abilities as a dive educator while concentrating on developing evaluation and counseling skills. Through independent study, knowledge development seminars, guided evaluation training and an internship, PADI IDC Staff Instructor Candidates learn to teach the PADI Assistant Instructor Course and assist PADI Course Directors with Instructor Development Programs. Successful completion of the PADI IDC Staff Instructor Program meets one of the prerequisites for the PADI Master Instructor Program. Become a better all around Instructor under the direct supervision of your professional PADI Course Director at...
